

@Dacr CERTIFICATE

Ω Echo™ / Omega Echo™ — DACR Master IP & Brand Declaration (Global) — v5 (2026-03-06)

Ω ECHO™ / ΩMEGA ECHO™ — DACR MASTER IP & BRAND DECLARATION (GLOBAL)
Version: v5 - 2026-03-06
Public / Viewable Master Notice (for DACR registration)

1) IDENTIFICATION
Brand / Artist / Project Name (protected variants for MUSIC + MULTIMEDIA ONLY):
- Ω Echo™
- Omega Echo™
- "Ω" symbol - "Echo" (all stylistic/typographic variants used for this creative brand)
Scope Note: This declaration concerns Ω Echo™ as a music + multimedia creative identity and production label (audio/video/file/digital media). It is not intended to claim unrelated third-party uses of "Omega Echo" in other industries.

Creator / Rights Holder:
- Zanjan Fromer (Ω Echo™) — human-led creator and rights holder

Parent Ecosystem (Context):
- Ω CODE — Kantlogi Frame Sentinel™ ecosystem (author: Zanjan Fromer)

Registered Domains:
- @omegacode.com | @omegacode.com | @omegacode.com

Contact:
- fromer@omegacode.com

2) PURPOSE
This master declaration asserts and records a global, perpetual rights notice for the Ω Echo™ brand identity and all associated intellectual property, across past / present / future works, including drafts, concepts, and works-in-progress, regardless of medium or platform.

3) COVERED WORKS / MATERIALS (NON-EXHAUSTIVE)
All Ω Echo™ works and assets are covered, including but not limited to:
A) Audio / Music
- albums, tracks, demos, stems, mixes, masters, arrangements, sound design, compositions, melodies, harmonies, rhythms, beats, spoken word, vocal architecture
B) Lyrics / Text / Copy
- lyrics, liner notes, captions, posts, scripts, press copy, translations, titles, taglines, loglines, release notes, templates and prompts created for Ω Echo™
C) Video / Film / Multimedia
- reels, shorts, music videos, visualizers, trailers, teasers, promos, films, edits, storyboards, shot lists, motion graphics, thumbnails, cover art concepts
D) Branding / Identity
- the Ω Echo™ brand name and its variants, logos/marks, visual identity system, album/track naming system, metadata structures, brand voice, brand messaging, channel/page layouts and format systems
E) Digital / Platform Outputs
- content posted or stored on any platform (e.g., Spotify, Apple Music, YouTube/YouTube Music, SoundCloud, Bandcamp, TikTok, Facebook/Instagram, X, LinkedIn, websites, cloud drives, hard drives, offline storage, prints)

4) ORIGINALITY / HUMAN-LED CREATION STATEMENT
Ω Echo™ is a human-led creative project. Works originate from the creator's lived experience, direction, and authorship intent. Ethical AI tools may be used as workflow instruments to help draft, structure, translate, or render creative material; the creator directs and approves final outputs. All releases are presented as original works under the Ω Echo™ creative identity.
